EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

1. Claims 1-25 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Regarding claims 1, 9, and 10 the primary reason for allowance is that the prior art fails to teach or reasonably suggest performing a certain number of iterations of exposure values independently of the result of comparison of the level of luminosity with a previously fixed higher global threshold level. In other words, always performing a certain number of iterations of exposure values no matter what the result of the comparison.

Claims 18-25 are allowable for the reasons stated in the previous office actions.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John M. Villecco whose telephone number is (571) 272-7319. The examiner can normally be reached on Monday-Friday.
